

Car Analytics Launched New Multi-check Features

PUBLISHED MAY 8, 2024

BY [CAR ANALYTICS](#)

A significant money-saving deals for auto traders and used car lovers! Looking for bulk or multi-vehicle check services? Car Analytics offers unique products for both customers and dealers. There is a significant price difference between a single check and pricing for more than two or more cars.

Introducing Multi check packages UK auto dealers are required to do necessary safety checks and value tests, which can be costly. A single history checks cost £9.95, and basic checks cost £1.99. Offering discounted checks would reduce the stress of a dealer. Hence, [Car Analytics](#) launched new multi check features. Three vehicle checks cost you £19.99, which is equal to only £6.99 per vehicle. Also, five vehicle checks cost £24.99, which means each check costs around £4.99. [Check prices](#) here for more features. There are no complicated sign-ups or hidden fees. It provides access to the cheapest vehicle check available on the market today.

Trade Deals for More Than Five Vehicle Checks: Car Analytics solves the problem of dealers checking for more than ten vehicles through trade arrangements. [Trade vehicle check](#) packages are useful for auto shops that inspect 20 or more vehicles.

Three Auto Trader Packages

- The 20 Trade Check costs £66, an equivalence of £2.75 [inc.VAT](#) per vehicle. It gets cheaper in higher trade deals.
- In the 50 Trade Check, the vehicle checks cost £150. So, it means £2.50 [inc.VAT](#) per vehicle check – a 15p discount for the UK traders.
- We offer 100 Trade checks for large businesses at the lowest price possible. Each vehicle check will cost £ 2.25

[inc.VAT](#), and in total, it will charge you £270.
