In total, more than 31,000 customers submitted their 2020 to 2021 tax return between Christmas Eve and Boxing Day – getting it in early ahead of the deadline on 31 January 2022, and most festive filers completed their return on 24 December:

Christmas Day: 2,828 tax returns were filed. The peak time for filing was 12:00 to 12:59 when 227 returns were received

Myrtle Lloyd, HMRC's Director General for Customer Services, said:

Filling in a tax return won't have been on many people's to-do lists for Christmas, but please don't leave it until the end of January either. We have videos, guidance and helpsheets to support you – just search 'Self Assessment' on [GOV.UK](https://www.gov.uk) to find out more.

HMRC has created resources to help customers complete their tax return including a playlist on YouTube, webinars and helpsheets and guidance available on [GOV.UK](https://www.gov.uk).

Some Self Assessment customers may feel worried or anxious about paying any tax owed by the deadline. If they cannot pay in full, customers can set up their own Time to Pay arrangement online if they:

have filed their 2020 to 2021 tax return

owe less than £30,000

are within 60 days of the payment deadline

plan to pay their debt off within the next 12 months or less

If customers owe more than £30,000, or need longer to pay, they should call the Self Assessment Payment Helpline on 0300 200 3822.

HMRC urges everyone to be alert if they are contacted out of the blue by someone asking for money or personal information. Customers should always type in the full online address [www.gov.uk/hmrc](https://www.gov.uk/hmrc) to get the correct link for filing their Self Assessment return online securely and free of charge. HMRC sees high numbers of fraudsters emailing, calling or texting people claiming to be from the department. If in doubt, HMRC advises not to reply directly to anything suspicious, but to contact them straight away and to search [GOV.UK](https://www.gov.uk) for 'HMRC scams'.
