

Advice on net-zero energy challenges

PUBLISHED OCT 12, 2020
BY [GOV.UK](https://www.gov.uk)

This letter summarises main points arising from briefing sessions on considerations for applying science and technology to retrofitting to decarbonise homes and developing a hydrogen economy.

The briefing was requested by the Minister for Business, Energy and Clean Growth and builds on previous CST advice to the Prime Minister on 'achieving net zero carbon emissions through a whole systems approach'.
