

New card payment provider for Companies House online services

PUBLISHED SEP 6, 2021
BY [GOV.UK](https://gov.uk)

We're changing our card payment provider from Barclaycard to [GOV.UK](https://gov.uk) Pay. This means you'll see a different screen when you make a payment on some of our online services from the beginning of September.

As a result of the development work needed for this change, you will not be able to use PayPal to make payments on our services on the following dates:

WebFiling – between 6 September and mid-October

SCRS and SCRS+ – between 23 September and mid-October

WebCheck – between 23 September and mid-October

You can use a debit or credit card instead.

We apologise for any inconvenience caused by these changes.

These are planned changes and you do not need to contact us.
