Commenting on Iranian attacks on the Kurdistan Region of Iraq, Minister of State for the Middle East, South Asia, UN and the Prime Minister's Special Representative on Preventing Sexual Violence in Conflict, Lord (Tariq) Ahmad of Wimbledon, said:

Iran must cease its indiscriminate bombardment of Kurdish towns which has led to the loss of innocent lives and damaged civilian infrastructure. These attacks are a violation of Iraq's sovereignty and territorial integrity and are wholly unacceptable. They demonstrate a repeated pattern of Iranian destabilising activity in the region.

We stand with the Kurdistan Regional Government in condemning these attacks and will continue to support the sovereignty and security of Iraq, including the Kurdistan Region.
