

UK condemns Iran's use of ballistic missiles: FCDO statement

PUBLISHED DEC 24, 2021
BY [GOV.UK](https://www.gov.uk)

An FCDO spokesperson said:

We condemn Iran's use of ballistic missiles in a test launch confirmed to have been conducted today. The launch is a clear breach of UN Security Council Resolution 2231, which requires that Iran not undertake any activity related to ballistic missiles designed to be capable of delivering nuclear weapons – including launches using ballistic missile technology.

These actions are a threat to regional and international security and we call on Iran to immediately cease its activities.
