Welcome to the Dear Lifesaver podcast!

Here, we're tackling some big questions we have about aid in the 21st century, finding out what it takes to save a life, and exploring how faith factors into all of this...

The biggest question is, could you help save and transform more lives by learning something new about humanitarian aid?

In this episode, Nabilah and Sara are speaking with Co-Founder and COO of Launchgood, Amany Killawi.

To date, the crowdfunding platform has received global acclaim for supporting Muslims across the world in their giving efforts. Launchgood has been a means for people to raise over 180 million for 20,000 projects across 120 countries.

We spoke to Amany about how to create the intersection between your craft, good design the need for innovation and excellence in the Muslim community and ultimately how to create lasting impact.
