Tÿ Nant Water has moved back to 100% British ownership in September 2020 after being purchased from the previous Italian owners. Tÿ Nant has been an icon in the fine dining space for the last 30 years. The new owners are extremely proud to be the new stewards of the Tÿ Nant brands and the Tÿ Nant Estate. Tÿ Nant is one of the most sustainable brands in the UK, with its own on site wind turbine and all of its products produced by 100% clean green energy at the 200 acre organic Tÿ Nant Estate in rural Bethania, Wales which also has its own forest as part of the Estate's rewilding project. The new owners have already made a multi million pound investment in the Tÿ Nant Estate and manufacturing facilities as the first part of fulfilling their vision of building a super premium diversified drinks group encompassing the finest British brands, from grain to glass distilleries to viticulture and adult soft drinks.

The new owners of Tÿ Nant are passionate about giving back to their community and supporting good causes locally. To support this they have formed the Tÿ Nant Foundation.

This will be a core part of the new business and wider group. The Tÿ Nant Foundation's purpose is aligned to their customers, colleagues & Tÿ Nant's values and will be funded by a share of profits from Tÿ Nant on a general and customer specific basis. Customers will be asked to advise on any causes close to their heart and allocation will be made by independent Trustees. This will help Tÿ Nant make a difference at a local grassroots

level wherever their customers are based.

Tÿ Nant has experienced incredible growth in the last 12 months under the new ownership and Tÿ Nant brands are now served in such venues as Harvey Nichols, Hakkasan, Nobu, Gordon Ramsey's Lucky Cat, Bob Bob Ricard, 51 Buckingham Gate, All UK Méliá hotels, Tattu and Wagamamas.
