Copenhagen, Denmark/Mumbai, India: Muellners Foundation today announces that Prasanna Lohar has joined the Foundation on its 'Finscale Steering Committee'.

Prasanna is a fintech influencer with more than 18 years of experience in engineering, product development, and digital transformation. He is currently the Chief Innovation Officer(CIO) of DCB Bank, one of India's leading banks, delivering digital platform solutions.

Prasanna also co-chairs blockchain sub committee of FICCI (The Federation of Indian Chambers of Commerce & Industry). He is a member of the IAMAI, IDRBT, and fintech forums in different states of the country. He also mentors startups across various Atal Incubation Centers. He has advised above 250+ fintech startups during the course of DCB's Innovation Carnival.

Prasanna is a regular figure in international conferences and fintech summits as a public speaker, presenting his views on blockchain, financial technology, and architectural innovations. He has been building industry collaborations for disruptive product innovations in India's fin-tech ecosystem.

Muellners Foundation states that it looks forward to closely working with Prasanna Lohar on advancing its agenda of financial inclusion. In the foundation, he will contribute to open source technology - Finscale project.

For more info on the Muellners Foundation.

Muellners Foundation maintains open source projects such as Bitrupee, Finscale and promotes other open source technologies

like Apache Fineract.
