It was recently announced that Netstar IT Support has been selected as one of the 50 Best Managed IT Companies in the UK for the third consecutive year.

London, 11th December 2020 – This week, Netstar attended the virtual '50 Best Managed IT Companies Awards' ceremony. They are thrilled to announce that they have been selected as one of the 50 top UK IT support companies for the third consecutive year.

The awards are run by TechnoPlanet, an international marketing and communications firm who specialise in the technology sector. Achieving top 50 status demonstrates Netstar's ability to consistently follow IT best practices and deliver an exceptional service to their clients.

Mit Patel, Managing Director at Netstar says, "Being selected as one of the best 50 Managed IT Companies is a great achievement for us, especially as this is the third consecutive year that we've won the award. 2020 has been a challenging year for every business, so it's great to see that we've been able to maintain our excellent level of service, even in such unprecedented circumstances."

Netstar is an IT Support company based in Central London. Providing fully managed IT Support and Technology Consulting services. Founded in 2002 the company has grown significantly, now supporting over 150 clients based in London and the South East. Netstar's core mission is Helping People Succeed Through Technology.
