Netstar take part in Christmas Jumper Day!

This year, Netstar are taking part in Christmas Jumper Day to raise money for Save the Children.

On Friday the 10th of December, we'll be dressing up in our silliest/funniest/most festive Christmas Jumpers, with all donations going to Save the Children.

To give just £2 (or more if you're feeling generous...) to an excellent cause and help us reach our target, click here.

By supporting our Christmas Jumper Day, we'll be helping transform the future for children in the UK and across the world. Every penny we raise will help children have the basics they need to smile this Christmas.

For example, just £60 could provide two weeks' worth of food for a family of 5 in Syria!

Every donation is incredibly important and all the team at Netstar would be extremely grateful if you could contribute to help those in need.

Thank you and Merry Christmas!

Netstar is an IT Support company based in Central London. Providing fully managed IT Support, Cyber Security and Technology Consulting services. Founded in 2002 the company has grown significantly, now supporting over 150 clients based in London and the South East. Netstar's core mission is Helping People Succeed Through Technology.
