BY [PRESSAT](#)

Vital Parts Ltd expect to bring a total of 15 new jobs to the Bournemouth economy throughout 2021

Vital Parts Ltd, a growing Plastic, Rubber & Metal Component Manufacturer and Distributor with its Head Office in Maidstone, Kent has recently revealed the opening of a brand new branch in the South Coast of the UK.

Located on the Forest Gate Business Park in Ringwood, just outside of Bournemouth, they (Vital Parts Ltd) are expecting to bring a total of 15 new jobs to the local economy within the next 12 months despite the ongoing impact of the COVID-19 pandemic.

This new Vital Parts branch comes to an area already renowned for its relevance to the Plastic & Rubber industry, something which has proved beneficial during the early stages of recruitment, having already attracted several highly experienced professionals who are now permanently employed with the company. These initial roles that were recruited include a Technical Branch Manager, Engineering & Application Development Lead and a Sales Exec & Quality Officer.

When asked about any future roles that are expected to be released, Mike Holt the Managing Director of Vital Parts gave the following statement;

“We expect to have a steady stream of roles available for the new branch across the next twelve months, which we hope will excite any potential candidates within the Bournemouth

or South Coast area. Roles that we expect to have available span both the Customer Service and Sales departments, with varying skill requirements.

We advise anyone interested in applying for a job to keep an eye on our company LinkedIn page or by sending us an email with an attached CV to the Branch Manager, Liam. We also have a careers page on our company website where you can view current job vacancies and their specifications, which can be found at their foundation in 2014 Vital Parts have gone from strength to strength with features in prominent industry magazine - The Manufacturer for their achievements during the COVID-19 pandemic as well as recognition from Goldman Sachs as a rapid growth SME in 2019.

We wish Vital Parts every success with their recent expansion into Bournemouth and their recruitment drive over the next 12 months.

Vital Parts Ltd is a Maidstone-based manufacturer of Plastic, Rubber, and Metal components, committed to providing a vast range of high-quality and bespoke product lines. With over one million individual parts in stock, they pride themselves on excellent customer service and a “try-before-you-buy” philosophy through free sampling.
