Send 1 and 2kg Parcels Cheaper than the Post Office

Parcel2Go has re-introduced its exclusive delivery service for small and medium parcels. The Hermes service, launched this month, allows customers to send 1kg parcels on Parcel2Go for £2.25 ex VAT and 2kg parcels at just £2.40 ex VAT - a rate cheaper than the Post Office.

Coronavirus has affected people's lives across the UK and the world, meaning that more and more people are relying on courier services for safe parcel delivery. Using Parcel2Go, families can send presents and companies can distribute products at affordable and unrivalled prices.

Adam Harris, Managing Director at Parcel2Go, said:

"We are proud to re-introduce exclusive Hermes Small & Medium services to [Parcel2Go.com](#). With lock-down and COVID-19 restrictions in place, safely sending parcels is more important than ever for individuals and businesses.

"With Hermes Small & Medium - and our exclusive pricing - you won't find a cheaper or better way to send small 1- 2kg parcels than Parcel2Go - and that includes the Post Office!"

Customers simply place an order with Parcel2Go - who have a long-standing relationship with Hermes - then take the small or medium-sized parcel to a nearby drop-off location where it is collected and delivered by Hermes couriers.

The dimensions for Small parcels are a maximum of 45cm long, 35cm wide and 16cm high. Medium parcels, meanwhile, are 1.2m long and have a maximum girth of 2.25m.

Small and Medium parcels, weighing up to 2kg, can be sent

using Parcel2Go's and are delivered to their destination within two to three working days.

[Parcel2Go.com](https://www.parcel2go.com) is the UK's number one parcel delivery comparison website. They offer delivery services to all major European destinations. They also deliver throughout the United Kingdom.

The Parcel2Go service is available online at www.parcel2go.com and can be found as an app in the Apple and Google Stores
